**1600 Block Parkview Ave
Water Meter Repair**

ROCKFORD – Beginning Tuesday May 12, the Water Division Field Service will be repairing the water meter at the 1600 block of Parkview Ave. Traffic heading southbound on Parkview will be closed tight between Spring Creek Rd and Pelham Rd. Southbound traffic will be detoured onto Highcrest Rd, Highcrest Rd to Grenham Pl, and Grenham Pl to Pelham Rd.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last less than one day.

Any questions should be referred to Public Works, Water Division Field Service at 779-348-7152.
