3100 Block N Rockton Ave
Emergency manhole repair

ROCKFORD – Beginning Monday November 9, the Water Division will be making an emergency manhole repair in the 3100 Block of N Rockton Ave. In the interest of traffic safety N Rockton Ave will be reduced to one lane southbound immediately.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
