**500 Block of Walnut St
Manhole Repair**

ROCKFORD – Beginning Tuesday September 13, the Water Division will be repairing the water manhole in the 500 block of Walnut St. Walnut St will be reduced to two lanes, closing the two left lanes with no access northbound to S 3rd St.

Proper traffic controls and detours will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three (1-3) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
