800 Block Whitman St
Hydrant replacement

ROCKFORD – Beginning Tuesday January 26, the Water Division will be replacing the fire hydrant at Whitman St and N Winnebago St. Whitman St will be reduced to one lane westbound. Haskell Ave and N Winnebago will also be closed at Whitman St to all traffic.

Proper traffic controls and detour will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
