### **LANE CLOSURES**

#### **SPRING CREEK RD FROM STARKWEATHER RD TO N ALPINE RD**

Rockford – Effective July 13, 2015.

Beginning Wednesday, July 15, 2015, the Rock River Water Reclamation District will be conducting a field survey for a project design along Spring Creek Road. This work will require the intermittent closure of portions of the outside lanes of Spring Creek Road from Starkweather Road to Alpine Road. The survey will be performed between 8:30 a.m. and 4:00 p.m. and is expected to be completed sometime in September. Full vehicular access will be restored at the completion of each work day.

Traffic control will be in place but please consider using an alternate route. Use caution and slow down when driving in and around the work zones.

Questions regarding the above project should be directed to the Engineering Department of the Rock River Water Reclamation District at 815.387.7660
