***North Main Street – Illinois Department of Transportation (IDOT)
Roadway Project (Yonge Street to just North of Riverside Boulevard)***

Starting the week of **April 11, 2016**, the outside drive lanes on North Main Street between Yonge Street and Country Club Beach Drive will close to traffic so that preliminary construction activities may commence. The outside lanes are expected to be closed for approximately one (1) week.

The North Main Street Roadway Project consists of pavement removal, excavation, roadway re-alignment, PCC pavement, HMA pavement, curb and gutter, landscaped median, multi-use path and sidewalk construction, water main replacement, storm sewer installation, landscaping, street lighting, traffic signal modernization and interconnection, pavement markings, erosion control, maintenance of traffic and all other necessary items to complete the improvements. **Please note that businesses are open during construction.**

IDOT and the City will be coordinating with all applicable governmental agencies throughout the project.

Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.
