### **ARTERIAL PAVEMENT STRIPING**

ROCKFORD –Effective July 30, 2015

Beginning the week of 8/3/2015 through 8/7/2015, the Public Works Department will perform arterial pavement striping on the following roadways:

Cherry St. from Court St. to Rockton Ave.

Court St. from John St. to Main St.

Huffman Blvd. from Bell Ave. to Riverside Blvd.

McFarland Rd. from Spring Creek Rd. to Riverside Ave.

N. 2<sup>nd</sup> St. from Whitman Overpass to Loves Park plus ramps and cloverleaf

N. Main St. from John St. to Auburn St.

Reynolds from Main St. to 1 block west

Sandy Hollow Rd. from Kishwaukee St. to Mulford Rd.

Spring Creek Rd. from the Bridge to Mulford Rd.

Willoughby from Harlem Blvd. to Main St.

Central Ave. from Auburn St. to Morgan St.

Johnston from Auburn to Elm

Locust St. from Court St. to Main St.

N. Main from State to one block N. of Park St.

Mulberry St. from Avon to Central Ave.

Myott from Main St. to Sherman Ave.

Riverbluff from Main to Normandy

Rockton Ave/Winnebago from Auburn St. to Montague

The operation is dependent on existing weather conditions and is subject to change accordingly.

Arterial pavement striping will continue during the months of July thru August.

Citizens are urged to approach striping crews at a reduced speed that is below posted speed limits. Proceed with caution traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations have mandated that manufacturers remove solvent based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.
