STREET DIVISION MAINTENANCE UPDATE

STREET SWEEPING:

Supervisor: Harry Noble

779 348-7619

Spring residential street sweeping began on April 4, 2016 with an anticipated completion date of June 30, 2016.

During the week of June 27, 2016, street sweepers will be operating in the following areas:

Kishwaukee St. East to 20th St. – Harrison Ave. North to Broadway

Kishwaukee St. East to 20th St. – Sandy Hollow Rd. North to Harrison Ave.

Each Thursday throughout the sweeping season, weekly updates will be provided to highlight the areas of the city in which street sweepers will be working. Maps will also be included to provide a visual of areas completed, not completed and those in progress.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

Bridge and Roadway Removal and Repairs – 2016

During the 2016 construction season the City of Rockford will perform the following removals or repairs to these City-owned bridges:

Location #1: North 3rd Street Bridge over the Whitman Street Ramp

- Repairs will be made to the deck joint at the north abutment, structural concrete repair, and painting steel superstructure.

Location #2: North 3rd Street Bridge over the Southbound 6th Street Ramp

- Full removal of this structure, which has been closed since March 2015 due to advanced deterioration. The removal will result in a reconfiguration of the off-ramp in order to completely close off access.

Location #3: 10th Street Bridge over Keith Creek

- Full removal of this structure with associated pavement removal and sidewalk improvements.

Location #4: 12th Street Bridge over Keith Creek

- Full removal of this structure with associated pavement removal and sidewalk improvements.

Full removal of the bridge at Location #2 was completed on June 12, 2016. Further work, including a reconfiguration of the existing off-ramp, will be scheduled to start in July 2016.

Work began on Location #3 and Location #4 on Tuesday June 14, 2016 with removal of the existing roadway pavement. 10th Street and 12th Street are closed to all traffic between 6th Avenue and 7th Avenue as the project will result in the full removal of the bridges.

Further updates regarding the schedule of construction activities at the other locations will be sent in the coming weeks. Drivers are reminded to obey work zone speed limits

and to stay alert for workers when driving through the construction zones. Full completion of the project is anticipated by the end of August 2016.

Harrison Avenue Reconstruction Project
(Harrison Avenue between 9th Street and East of 22nd Street)
(11th Street between Wills Avenue and South of 23rd Avenue)

On **Monday, May 2, 2016** full reconstruction work is scheduled to begin on Stage 1 of the Harrison Avenue Project. Stage 1 includes drainage channel reconstruction, box culvert reconstruction, road widening, new pavement, curb and gutter, medians, sidewalk, sanitary sewer construction, storm sewer installation, watermain replacement, new street lights, new traffic signals, and pavement markings in the westbound lanes of Harrison Avenue between Cannon Street and Hartman Street. Stage 1 construction is schedule to be completed in November 2016.

During the duration of Stage 1 construction, traffic will be shifted to the eastbound lanes of Harrison Avenue between Hanson Street and 22nd Street, and 20th Street between Harrison Avenue and Center Street will be fully closed to traffic with a detour route in place. Additionally, during Stage 1 no access to Harrison Avenue will be allowed at the following intersections: Cannon Street, Sewell Street, Congress Drive, 17th Street, 18th Street, 19th Street, Hartman Street, and 22nd Street (south leg only).

Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.

The Harrison Avenue Reconstruction Project consists of a full corridor reconstruction of Harrison Avenue between 9th Street and just east of 22nd Street as well as 11th Street between Wills Avenue and just south of 23rd Avenue, including drainage channel reconstruction, box culvert reconstruction, road widening, new PCC pavement, new HMA pavement, curb and gutter, landscaped medians, multi-use path and sidewalk construction, sanitary sewer construction, water main replacement, storm sewer installation, landscaping, street lighting, new traffic signals, and pavement markings. Full completion of the project is anticipated in late 2017.

Airport Drive Reconstruction Project
(Airport Drive between Kishwaukee Street and 11th Street)

On **Monday, June 20, 2016** a section of Airport Drive will be closed from Assembly Drive to Easy Street for roadway and restoration work. In addition to this closure, another Airport Drive section will remain closed from Falcon Road to South Sixth Street for Railroad Crossing Replacement. The railroad crossing replacement project will consist of reconstructing the bumpy & uneven crossings and replacing with a smooth & level surface while traveling over the railroad tracks. A detour route will be posted for drivers traveling in the area. Drivers are recommended to utilize Samuelson Rd just south of Airport Drive until the railroad crossing is complete. Please note that there will also be final restoration and landscaping being done along Airport Drive between South Sixth Street and IL 251 (11th Street) in conjunction with the railroad closure. It is anticipated that all of Airport Drive will be opened on

Friday, July 1, 2016 for the 4th of July weekend. A detour map has been attached for everyone's reference.

The Airport Drive reconstruction Project includes all roadway from Kishwaukee Street to Illinois 251 (11th Street). This reconstruction project consisted of pavement removal, excavation, concrete pavement, curb and gutter, median, landscaping, storm sewer installation, street lighting, traffic signal modernization, erosion control and new concrete pavement. Some notable improvements to the project is the newly constructed roundabout at the intersection of Kishwaukee Street and Airport Drive, rail road crossing reconstruction and straightening out the road way east of the rail road crossing.

Kishwaukee Street, Falcon Road and the majority of Airport Drive is complete and open to all traffic. The City of Rockford thanks all drivers and pedestrians for their continuous patience during the final segments of this massive reconstruction project. Questions regarding this project should be directed to Austin Crull in the Public Works Department at (779)-348-7610. Thank you for your consideration.

Northridge Drive	Tatum Road	Terrace View Lane
Martina Drive	Lori Drive	Piper Court
Nadine Avenue	Pleasant Valley Blvd.	Talbot Trail

WATER QUALITY CONTACTS:

Water Quality Group: 779.348.7151

If discolored water occurs, it is not a health hazard. However, during any flushing procedures, iron (red water) and manganese (black water) may become stirred up within the water main, which can create staining on the porcelain and laundry. For this reason it is vital that the public be aware of the time and area that will be affected. If there are any Water Quality questions, please contact water quality at the number listed.

For a detailed map of hydrant flushing locations and when staff will be working in specific neighborhoods, please visit the City's web site at:

<http://rockfordil.gov/public-works/water-division/hydrant-flushing.aspx>
