TRAFFIC RELEASE

On Tuesday May 5th and Thursday May 14th the Rockford Police Department conducted two radar enforcement details on North 2nd Street, near Ethel Avenue. The posted speed limit on North 2nd Street, in the area of the detail, is 45 miles per hour. In the 1000 block of N. 2nd or near Y Boulevard, the speed limit is reduced to 40 mile per hour. Local and state law enforcement agencies hope to decrease the likelihood of serious injury or fatal traffic crashes by educating the public and enforcing traffic laws.

The enforcement detail was a combined effort of the Rockford Police Department, Winnebago County Sheriff's Department, and Illinois State Police. Speed trailers and additional enforcement details will be conducted throughout the summer.

Combined results of the two details are as follows: (citations)

- Speeding-36
- Seat belt Violation-1
- No valid License-1
- Insurance-1
