### **RESIDENTIAL PLOWING OPERATION**

ROCKFORD – The City of Rockford’s Contractors will begin plowing Residential Routes at noon today. The City of Rockford Public Works Department will continue plowing and salting Arterial Routes and the Snow Emergency and Odd/Even parking remain in effect.

Decisions about further deployment will be made, as needed, according to developing conditions.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.
