**1600 Block of Charles St  
Water Manhole Repair**

ROCKFORD – Beginning Monday September 26, the Water Division will be repairing the manhole in the 1600 block of Charles St. Charles St will be reduced to one lane each direction between 12<sup>th</sup> St and 13<sup>th</sup> St to all traffic.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to two (1-2) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
