**2500 Block Kishwaukee St
New water service**

ROCKFORD – Beginning Monday December 1, the Water Division will be installing a new water service at 2510 Kishwaukee St. All lanes heading northbound will be shifted into the south bound turning lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
