700 Block Mulberry St
Installing new water service

ROCKFORD – Beginning Monday September 21, the Water Division will be installing a new water service in the 700 block of Mulberry St. Mulberry St will be closed between Mulberry Ct and N Horsman St.

Proper traffic controls and detours will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two to four business (2-4) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
