***900 Block N Central Ave***  
***Hydrant replacement***

ROCKFORD – Beginning Monday November 23, the Water Division will be replacing the fire hydrant in the 900 block of N Central Ave. N Central will be closed southbound between Arthur Ave to Sherman Ave.

Proper traffic controls and detours will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
