500 Block N Winnebago St
Emergency Main Line Valve Repair

ROCKFORD – Beginning Friday September 2, the Water Division will be making an emergency main line valve repair in the 500 block of N Winnebago St. Winnebago St will be closed between Palm St and Cherry St.

Proper traffic controls and detours will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three (1-3) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
