**Water Service Repair**

ROCKFORD – Beginning Wednesday November 2, the Water Division will be repairing the water valve in the 1500 block of Nelson Blvd. Nelson Blvd will be closed at 15<sup>th</sup> Ave to all traffic heading northbound.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three (1-3) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
