1600 Block of Parkview
Emergency Water Main Repair

ROCKFORD – Beginning Tuesday April 28, the Water Division will be making an emergency water main repair at 1601 Parkview Ave. Traffic heading northbound on Parkview Ave will be closed tight between Pelham Rd and Birchwood Dr.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two - four business (2-4) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
