1600 Block S Main St
Emergency fire service installation

ROCKFORD – Beginning Friday January 16, the Water Division will be making an emergency fire service repair at 1616 S Main St. S Main St. will be closed to all traffic between Marchesano Dr and Montague St. All traffic will be detoured to West St.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
