ROAD REOPENING

AVON ST FROM PRESTON ST TO CHESTNUT ST

Rockford – Effective December 23, 2013.

Beginning Monday December 23, 2013, Avon St. between Preston St. and Chestnut St. will reopen to traffic.

Avon St has been closed since November, 2012 due to ComEd's remediation activity at the location of a former manufactured gas plant at 310 South Avon St. here in Rockford, IL. This remediation work removes residues that remain from the gas manufacturing process. For more information about this project please refer to <http://www.avonstreetmgp.com/>.

Questions regarding the above project should be directed to Ryan Lundberg at the City of Rockford in the Public Works Department at (815) 967-6744.
