IL- 2 / South Main Street – Illinois Department of Transportation (IDOT) Roadway Project (South of Pond Street to just North of Cedar Street)

On **April 6, 2016**, IL-2/South Main Street from Montague Street to Mill Street will close to southbound traffic for road construction work. One northbound lane will remain open to traffic on IL-2/South Main Street during this period. In addition, Morgan Street will close east of IL-2/South Main Street until mid-July for intersection improvements. IL-2/South Main Street will remain open to two-way traffic north of Mill Street and south of Montague Street. Please note that businesses are open during construction.

Southbound IL-2/South Main Street traffic will be detoured to Cedar Street westbound, to southbound on Winnebago Street, to eastbound on Montague Street. Morgan Street traffic will be detoured to Rock Street to Montague Street. See attached map for further clarification.

The South Main Street Roadway Project consists of pavement removal, excavation, roadway re-alignment, PCC pavement, HMA pavement, curb and gutter, landscaped median, multi-use path and sidewalk construction, water main replacement, storm sewer installation, landscaping, street lighting, traffic signal modernization and interconnection, pavement markings, erosion control, maintenance of traffic and all other necessary items to complete the improvements. The project completion date is late 2017.

IDOT and the City will be coordinating with all applicable governmental agencies throughout both projects.

Drivers are reminded to obey work zone speed limits and to stay alert for workers when driving through the construction zone.
