STREET DIVISION MAINTENANCE UPDATE

Week of September 1, 2014 thru September 5, 2014

STREET PATCHING:

Supervisor: Harold Noble

815 987-5730

Street Division crews are currently patching potholes citywide both proactively and by citizen request.

STREET SWEEPING:

Supervisor: Harry Noble

815 987-5730

The fall residential sweeping cycle will tentatively commence on September 2, 2014.

During the week of September 1, 2014, street sweepers will be sweeping arterial streets city-wide. It is anticipated that residential sweeping will commence the week of September 22, 2014. Prior to leaf drop, sweepers will concentrate on areas of the city that have lower concentrations of trees and subsequently move into areas of high concentration as our trees begin to lose their leaves. Fall residential sweeping will generally continue until completion or weather conditions dictate the operation be suspended for the season. This generally occurs on or about December 1st of each year.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.
