STREET DIVISION MAINTENANCE UPDATE

Week of November 3, 2014 thru November 7, 2014

STREET PATCHING:

Supervisor: Harold Noble

815 987-5730

Street Division crews are currently patching potholes citywide both proactively and by citizen request.

STREET SWEEPING:

Supervisor: Harold Noble

815 987-5730

The fall residential sweeping cycle commenced on September 22, 2014. Prior to leaf drop, sweepers will work in areas of the city that have lower concentrations of trees and subsequently move into areas of high concentration as our trees begin to lose their leaves. Fall residential sweeping will continue until completion or weather conditions dictate the operation be suspended for the season. This generally occurs on or about December 1st of each year.

During the week of November 3, 2014, street sweepers will be operating in the following areas:

N. Alpine Rd. West to Longwood St. – Charles St. North to E. State St.

Mulford Rd. West to S. Alpine Rd. – Newburg Rd. North to E. State St.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.

If questions arise, contact:
