STREET DIVISION MAINTENANCE UPDATE

STREET SWEEPING:

Supervisor: Harry Noble

779 348-7619

The Street Division began Spring Street Sweeping on arterial streets the week of March 14, 2016. This phase of the City's street sweeping operation will take approximately two (2) to three (3) weeks, weather permitting.

Central Business District street sweeping also began on Thursday, March 10, 2016 during the overnight hours.

Spring residential street sweeping will commence subsequent to completion of the arterial streets. Although an exact date cannot be determined at this time, the transition to residential streets is anticipated to be the week of April 4, 2016.

Each Thursday throughout the sweeping season, weekly updates will be provided to highlight the areas of the city in which street sweepers will be working. Maps will also be included to provide a visual of areas completed, not completed and those in progress.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.
