INFORMATION RELEASE

The Rockford Police Department is pleased to announce a successful deployment of the Nuisance Abatement Vehicle (NAV). On Thursday, July 23, 2015, the NAV was deployed for the first time in the 2500 block of Auburn Street. The NAV remained there until Monday, July 27, 2015. The location was chosen, due to the recent criminal activity reported in the area.

During the deployment of the NAV, the Rockford Police Department saw a reduction in criminal activity in the vicinity. Crime data is currently being analyzed to assist in determining the future deployment location of the NAV.
