### **3784 E STATE ST--TRAFFIC SIGNAL REPAIR**

January 2, 2014

The City Of Rockford, Traffic Signal Section, will be repairing the traffic signals at 3784 E State Street. The signals are currently not operational.

Work is anticipated to be completed by the end of today, but may run into the evening commute.

Citizens are urged to avoid the area, or use extreme caution while traveling through the area, as the traffic signals will not be functioning until the work has been completed.
