City Wide Inlet Repairs – 2011

City-Wide Inlet Repairs 2011 (various locations throughout the city) is in progress. Construction activities may include, but are not limited to, adjusting, rebuilding and reconstructing inlets and manholes, parkway restoration and other related work throughout the city at various locations. The necessary traffic control and signage will be posted.

Broadway Improvements – 2011

The Broadway Improvements Project – 2011 (Broadway from 6th Street to 9th Street) is under construction. The project consists of miscellaneous sidewalk replacement, some brick replacement, ADA curb ramps at each intersection, some tree replacement, and other related work. Estimated completion date of the project is the end of September. Please use extreme caution when driving in the area.

Kilburn Avenue (IL – 70) Resurfacing – 2011

IL Route 70 Resurfacing Project – (Kilburn Avenue from Glenwood Avenue to Jefferson Street) is in progress. The project consists of roadway resurfacing, miscellaneous curb and gutter replacement, inlet repairs, manhole adjustments, and other related work. Please use extreme caution when driving in the area.

The City of Rockford appreciates your continued patience and cooperation during this work.

Questions regarding these projects should be directed to Jamie Rott at the Public Works Department. Thank you for your consideration.
