STREET DIVISION MAINTENANCE UPDATE

Week of April 15, 2013 thru April 19, 2013

STREET SWEEPING:

Supervisor: Harold Noble

815 987-5730

The 2013 spring sweeping cycle will begin on April 15, 2013. Contractors will be concentrating on arterial streets for approximately 2 weeks.

It is anticipated that residential street sweeping will begin the week of April 29, 2013 and continue through mid to late June. Once the residential street sweeping cycle has begun, weekly updates will be provided to inform citizens when street sweepers will be in their area.

In order to assure the cleanliness of our streets, the Public Works Department would ask that vehicles be moved off the street when sweeping is scheduled for your neighborhood.

All Street Division Operations are dependent on existing weather conditions and are subject to change accordingly. Citizens are urged to approach Public Works Crews with caution and at a reduced speed that is below posted speed limits.

The City of Rockford appreciates your continued patience and cooperation as we perform our Street Maintenance Activities.
