ARTERIAL PAVEMENT STRIPING

The Public Works Department will perform arterial pavement striping on the following roadways tomorrow, July 15, 2011:

Spring Brook Rd. / Spring Creek Rd. to Bell School Rd.
Spring Creek Rd. / Alpine Rd. to Bell School Rd.
Cheroakwood Ln. / Spring Brook Rd. to Crofton Dr.
Shaw Woods Rd. / Spring Brook Rd. to Spring Creek Rd.
Rural St. / Longwood St. to Alpine Rd.

The operation is dependent on existing weather conditions and is subject to change accordingly.

Arterial pavement striping will continue during the months of July thru September.

Citizens are urged to approach striping crews at a reduced speed that is below posted speed limits. Proceed with caution traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations have mandated that manufacturers remove solvent based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.
