### *ARTERIAL PAVEMENT STRIPING*

ROCKFORD –Effective July 25, 2011

Beginning the week of 7/25/2011 through 7/29/2011, the Public Works Department will perform arterial pavement striping on the following roadways:

Auburn St. from North Main to Springfield Ave  
Mulberry St. from Springfield to Rockton Ave  
Mulberry St. from Kilburn to Wyman St.  
Glenwood Ave from Rockton to Kilburn Ave  
Halsted Rd. from North Central Ave to North Main St.  
Custer Ave from Kilburn to North Main St.  
Kilburn Ave North Central to Collins St.  
Fulton St. from Harlem to Huffman Blvd.  
Huffman Blvd. from Riverside to Bell Ave  
Riverbluff St. from North Main to Normandy Ave  
Campus Hills from North Main to Latham St.  
Bennington Rd. to West of North Main St.

The operation is dependent on existing weather conditions and is subject to change accordingly.

Arterial pavement striping will continue during the months of June thru August.

Citizens are urged to approach striping crews at a reduced speed that is below posted speed limits. Proceed with caution traveling into the lane adjacent to the pavement striper and maintain a safe distance. Changing lanes in close proximity to the pavement striping crew is not recommended. Recent changes in EPA Regulations

have mandated that manufacturers remove solvent based driers from striping paint, thus creating extended drying times. Your cooperation is appreciated.
