### **Boone and Winnebago Counties Offer Warming Centers**

ROCKFORD –The City of Rockford Human Services Department announces the warming center list for the 2010- 2011 winter season for Winnebago and Boone counties.

The ability to provide safe locations for area citizens to go during cold weather is important to ensuring that residents stay both safe and warm during extreme temperatures. These warming sites serve as an important resource for those without housing as well as those who may not have the resources to heat their homes adequately.

A complete list with locations, days and hours is attached.
