Downtown Church Street and Main Street

Two-Way Traffic Conversion

Open House

Date: October 20, 2010 3:00 p.m – 7:00 p.m.

An Open House to present preliminary plans for conversion of Church Street and Main Street from one-way traffic to two-way traffic will be held on Wednesday October 20, 2010, 3:00 p.m. to 7:00 p.m., at the Rockford Metropolitan Agency for Planning (RMAP) office at 313 North Main Street, Rockford, Illinois.

The Open House will present the preliminary plans to convert Church Street from John Street to Cedar Street and Main Street from John Street to Park Avenue (Illinois Route 2) from one-way traffic to two-way traffic. The change is proposed to simplify traffic movement throughout downtown.

The community is invited to attend and provide review and comment on the proposed plans for the project.

Your participation is important. Please plan on attending and pass this information along to others that may be interested.

Question regarding the proposed changes should be directed to Jeremy Carter, City Traffic Engineer at the Public Works Department.
