GARBAGE COLLECTION IN ALLEYS TO RESUME

Normal pick up schedule for President Day

ROCKFORD – February 16, 2011- The garbage collection in alleys in the City of Rockford will be resumed on Monday February 21, 2011. The collection of garbage in city alleys was suspended following the February 2, 2011 snow storm. The decision to resume alley garbage service is due to the anticipation that by virtually all alleys should be passable due to forecasted weather conditions over the next five days.

Residents should note that if your alley appears to be impassable, please place your garbage at the street side for pick-up. Rock River Disposal will be checking both the alley and the street for the regular alley pick-up locations.

Additionally, the garbage collection for City of Rockford residents on Monday February 21, 2011 and the balance of the week will be as regularly scheduled despite the President's Day Holiday.

The Household Hazardous Waste Site at 3333 Kishwaukee will also maintain their normal operating schedule on Saturday, February 19th from 8:00 a.m. until 4:00 p.m. and Sunday, February 20th from noon until 4:00 p.m.

For any questions or further information regarding your garbage pick-up service you may contact Rock River Disposal Customer Service at (815) 965-2489.
