FOREST HILLS ROAD BRIDGE OVER NORTHBOUND IL 251

ROCKFORD – Effective July 5, 2011.

The Illinois Department of Transportation (IDOT) will close the southbound Forest Hills Road to southbound IL 251 (North Second Street) bridge starting Tuesday July 5, 2011. The northbound IL 251 to northbound Forest Hills Road ramp will remain open throughout the project. A detour will not be posted and drivers are urged to consider alternate routes. The bridge is expected to reopen in early August.

All ramp and lane closures that are part of the IDOT IL 251 bridge over Spring Creek Road project will remain in effect over the Holiday weekend and during the Forest Hills Bridge Project.

The City of Rockford appreciates your continued patience and cooperation during this work.

Questions regarding these projects should be directed to Jeremy Carter at the Public Works Department. Thank you for your consideration.
