Electrical Permit Application

ELECTRICAL PERMIT APPLICATION INFORMATION

To perform work, electrical contractors must be registered with the City of Rockford. Registrations are valid from Jan 1st to December 31st. If you are not registered, please complete the [Electrical Registration Application](#).

Owners of one/two family dwellings and accessory structures who plan to perform their own electrical, plumbing, or mechanical work must complete the [Owner-Applicant Permit Application](#).

Applicants wishing to install a residential or commercial Electric Vehicle Charging System (EVCS) must refer to the [EV Charger Permit Checklist and Process](#) for a step-by-step guide on the application procedure and what to expect throughout each phase of your project.
