

Demolition Contractor License Application

**** Please read carefully ** Keep this sheet for your records**

1. Provisions set-forth in City of Rockford Code of Ordinances, Chapter 105, Article V, and Sections 105-272 through 105-280.
2. Applicant for Demolition License shall provide sufficient detail to satisfy the qualifications of engagement in the type of demolition for which the license is applied for.
3. License shall be good for one calendar year or any part thereof and shall expire on December 31st.
4. **Insurance/ Bond:** the applicant for demolition license shall provide proof of comprehensive liability insurance in the sum of **\$1,000,000.00**
5. **Responsibility**
 - A. *Demolition activities and compliance.* The license holder shall be responsible for all demolition activities that are conducted under such license and for compliance with all codes and regulations in effect at the time of such demolition.
 - B. *Disposal of debris.* The license holder shall dispose of all debris in a licensed landfill facility except for salvaged materials. At any time the license shall produce receipts and/or itemized lists of the debris disposed of by dumping or salvage upon request of the code official.
 - C. *Equipment identification.* All equipment utilized by the licensed contractor, whether or not owned by him, shall clearly display the name of the city-licensed contractor engaged in the demolition activity.
 - D. *Site safety and security.* The license holder shall at all times during the demolition process maintain the demolition site in a safe and secure condition per building code and the instructions of the code official and shall promptly report any property damage to the code official.
 - E. *Disconnection of utilities.* The license holder shall be responsible for any disconnection of utilities necessary for the demolition and shall provide evidence, at the discretion of the code official, that necessary disconnections and shutoffs have been accomplished.
6. **Revocation.**
 - A. Failure to perform a demolition in accordance with the provisions of this article, the city ordinances and laws of the state, or failure to perform in a timely manner and execute a demolition in a safe manner, shall constitute basis for revocation of a demolition license.
 - B. The revocation process shall involve notice of the intent to revoke, the grounds for same and the right to appeal such action to the building board of appeals. Such notice shall be served 30 days prior to revocation and appealed in writing 14 days of service of the notice. Such revocation and appeal shall not affect any action deemed necessary by the code official to correct a violation of this or other city ordinances or to execute action that the building official deems necessary to protect the public safety.
